Dear Dr. Goodley:

I am pleased that you have agreed to accept the responsibility of serving on the advisory committee to the Postgraduate Division of the Los Angeles College of Chiropractic. The Postgraduate Division conducts license renewal seminars, general interest seminars and in-depth long term training programs for the field of doctors interested in expanding their knowledge in specific areas of chiropractic health care. Your knowledge and expertise in the field of orthopedic medicine will be invaluable to our Postgraduate Division as we develop plans for programs of the future.

We will be in contact with you concerning more specific details of service in an advisory capacity.

With best personal regards,

Cordially yours,

E. Maylon Drake
