RE: American Association of Orthopaedic Medicine

Dear Dr. Goodley:

I represent the American Association of Orthopaedic Medicine.

On behalf of the Board of Directors of the Association, you are hereby notified of the termination of your membership in the Association. The termination results from, among other things, your failure to pay dues for the 1985-86 fiscal year.

You are further ordered to stop using the name President Emeritus, or any other title purportedly associated with the Association. The title of President Emeritus was stripped from you by vote at the June 12, 1986 annual business meeting of the Association.

In the event you fail to comply with this letter, I have been instructed on behalf of the Association to commence legal proceedings against you.

Sincerely,

BEUS, GILBERT, WAKE & MORRILL

Thomas R. Lofy
